<p>Note: Verde Energy USA purchases all of its electric energy from the wholesale market. The above generation resource mix is based on PJM EIS reporting of regional generation sources. Verde Energy USA does not have access to information regarding the radioactive waste produced by nuclear generation in the region.</p>																						

With in-depth analysis, the environmental characteristics of any form of electric generation will reveal benefits as well as costs. For further information, contact Verde Energy USA Ohio by phone at 1-800-388-3862. Verde Energy USA Ohio customers will be updated quarterly via the verdeenergy.com website.
